## Challenge

ORNL researchers need to use 50+ business systems, and most are not integrated or interoperable. The inconsistencies can be frustrating and waste time that could be dedicated to delivering world-class science.

## Solution

Experience the new app that is connecting researchers to solutions. RESolution provides one-stop, streamlined access to ORNL business systems and information, reducing daily hassles and simplifying research execution.

## What can I do with RESolution?

- Access multiple systems from one location
- Set up and manage projects
- View action lists, alerts, and workflow
- Collaborate with other researchers
- Use from both desktop and mobile devices

—And more is on the way.
