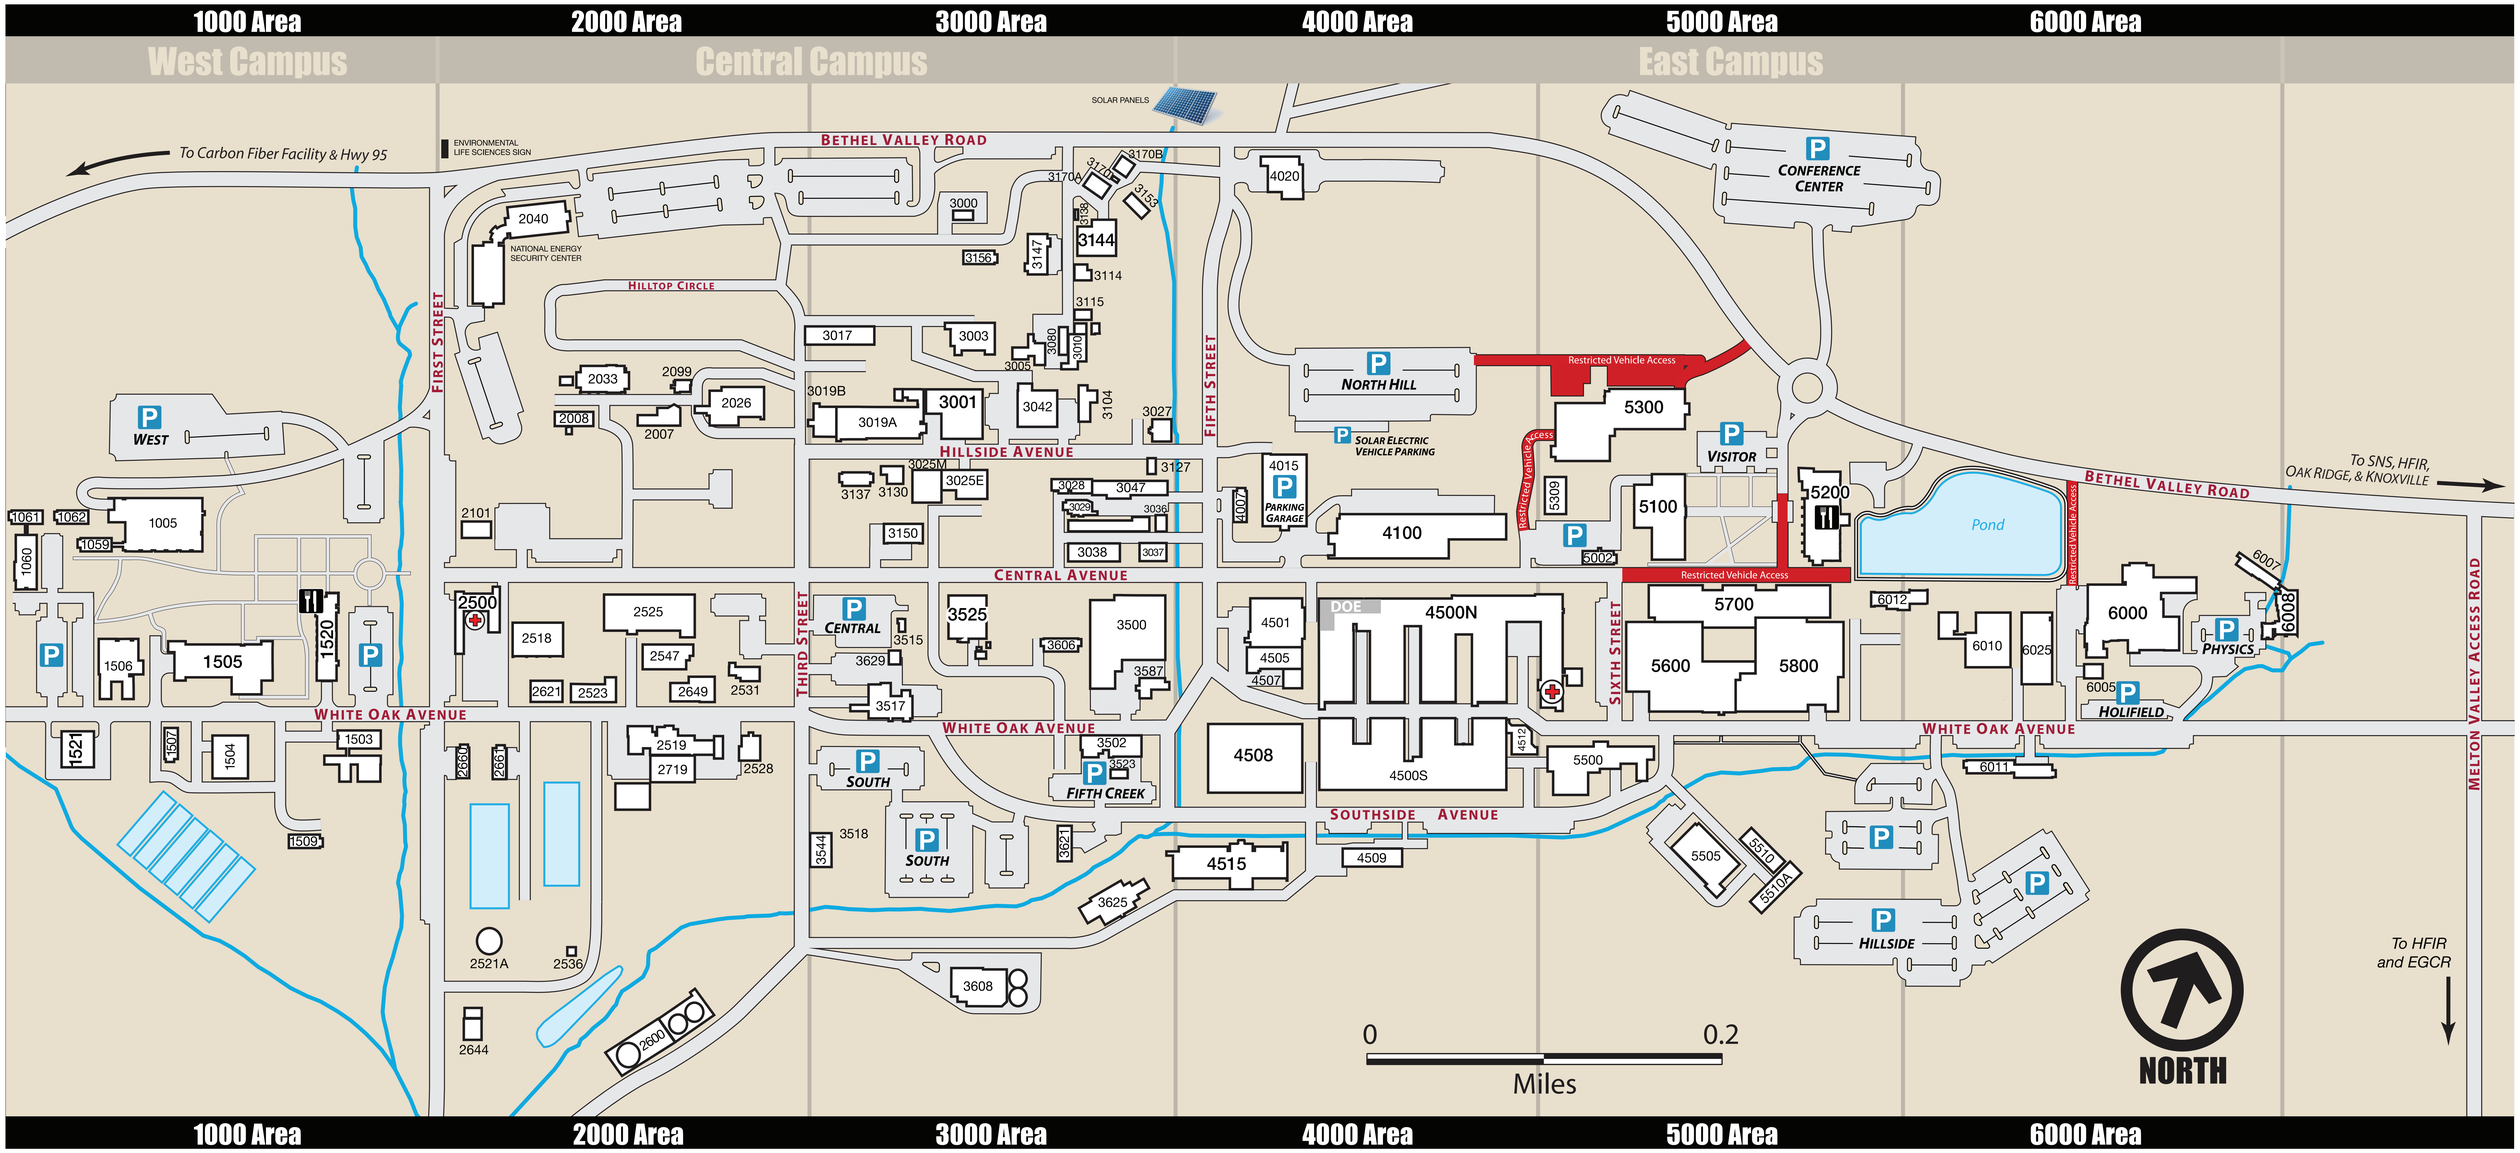
Oak Ridge National Laboratory

Main Campus



1505	Environmental Sciences Laboratory
1520	Joint Institute for Biological Sciences–BioEnergy Science Center
1521	West End Research Support Facility
2500	Fire Station
3001	Graphite Reactor
3144	Building Technologies Research and Integration Center
3525	Irradiated Fuels Examination Laboratory
4100	Chemical and Materials Sciences
4508	Metals Processing Laboratory
4500N	Laboratory Administration
4515	High Temperature Materials Laboratory
5100	National Institute for Computational Sciences
5200	Conference Center/Visitor Center/Cafeteria
5300	Multiprogram Research Facility
5600	Center for Computational Sciences
5700	Research Office Building
5800	Engineering Technology Facility
6000	Holifield Radioactive Ion Beam Facility
6008	Joint Institute for Heavy Ion Research

- Visitor Center
- Parking
- Cafeteria
- Medical
