Open Invitation from UT AIChE Student Section

Hey, my name is Dustin Tremaine and I am the president of AIChE at UT for the 2005-2006 school year. I would like to extend an invitation to the members of the Knoxville/Oak Ridge chapter to attend the UT AIChE Fall Kick Off Picnic.

It will be held next Sunday (September 11th) from 2:00-6:00 at Tyson Park shelter 1. AIChE will be providing hamburgers and hotdogs. The rest of the picnic will be a potluck style lunch. So if you or any of the other members would like to attend and bring a side dish, just let me know. This will be a great opportunity for UT AIChE members, UT ChE professors, and Knoxville/Oak Ridge AIChE members to meet and interact. I look forward to hearing from you.

Thanks,

Dustin Tremaine

Hurricane Katrina

On behalf of our members, Knoxville – Oak Ridge Section of AIChE offers condolences to the victims of Hurricane Katrina, and caring and encouragement to the survivors. This tragedy has hit many of our members on a personal level--more than 2500 AIChE members live and work in Louisiana, Mississippi, Alabama, and Florida. These colleagues and their neighbors will need special support as they recover and rebuild.

The most urgent need is for humanitarian relief, and financial donations are currently most helpful. Donations are being accepted by **The Red Cross**, as well as a number of other relief organizations listed on the **US Federal Emergency Management Agency Web site**. The Red Cross has an ongoing need for engineers who are trained in disaster response and ready for deployment. To volunteer, contact your local American Red Cross chapter
