

**The Center for BioEnergy Sustainability (CBES)  
at Oak Ridge National Laboratory (ORNL)  
is pleased to announce that we are holding our next Forum on July 28st, 2011 in the Ocoee  
Room (room 189) in Building 1505 at 3:30.**

**The forum will be followed by a casual gathering at Virginia Dale's home where light refreshments will be enjoyed as the discussions continue.**

**The topic of the July CBES Forum is:** "One size won't fit all: The role of scale in comparing the environmental impacts of ethanol and gasoline production" and will be presented by Esther Parish.

**Esther Parish** is an earth scientist specializing in geographic information systems (GIS) analysis of bioenergy sustainability, land use change, and climate change impacts, adaptation and vulnerability (IAV).

**Please mark your calendar for every third Thursday for 2011 so that you can join in the collaboration and camaraderie that is being built by your participation in the CBES forums.**
